

Manufacturer's declaration regarding EU directive 2002/96/EC (WEEE) and EU directive 2002/95/EC (RoHS)

The scope of application of directive 2002/96/EC (WEEE) is restricted to electrical and electronic equipment of the categories listed in Appendix IA, in as far as they are not part of a different type of equipment.

The scope of application of directive 2002/95/EC (RoHS) is restricted to electrical and electronic equipment of categories 1, 2, 3, 4, 5, 6, 7 and 10 listed in directive 2002/96/EC (Appendix IA).

All products manufactured and marketed by Sistag AG fall outside the scope of application of these directives.

As an environmentally aware and customer-oriented enterprise, Sistag AG chooses its suppliers in such a way as to ensure that any components that we fit as accessories (e.g. end position feedbacks) contain no hazardous substances in accordance with EU directive 2002/96/EC.
