Organizational change within Marketing & Sales

Dear Sir or Madam

SISTAG, producer of the high quality Wey knife gate valves, butterfly & check valves and water control gates is happy to welcome a new team member.

Starting from September 1st 2015, Dominique SUGNAUX will take over the full responsibility as Marketing & Sales Manager and will be a member of the SISTAG executive board.

Dominique SUGNAUX holds a MBA and Mechanical Engineering degree, has broad experience in pump sales, has managed regional branch offices and used to lead a network of representatives. You will reach him by phone +41 41 449 99 20 or by e-mail d.sugnaux@weyvalve.ch.

We wish Dominique Sugnaux a good start within our company and a successful working relation with our partners.
